Coach® Essentials

Coach wallets, checkbooks and card cases are gifts that are both personal and practical—gifts that will be used and enjoyed far beyond a single season. You can choose from a wide selection of styles and colors suitable for both men and women. Consider our Combination Wallet/Checkbook (page 5), —a complete money manager. Or, our Man's Large Credit Card Wallet (page 8), and Women's Credit Card Coin Wallet (page 6),—two popular styles for those who carry a lot.

Coach wallets and accessories are crafted of Water Buffalo Calfskin, a remarkably soft, yet durable, leather that possesses rich grain and natural markings. Details such as hand-turned edges and close, even stitching assure you that the product will last and is sturdy enough for demanding use.

Your Coach® Deserves Classic Care

Coach Leather Lotion meets the exacting standards that our natural, full-grain leathers demand. Formulated especially for Coach, this unique wax-free formula allows leather to breathe and imparts a soft suppleness. It removes surface dirt and enhances the lustre of naturally tanned cowhide without masking its extraordinary qualities. If used on Water Buffalo Calfskin, the leather will darken significantly. Therefore, it is specifically recommended for use on Coach bags and briefcases.

Enhance and refurbish the leather's unique character with Coach Leather Lotion.

Belt Sizing

To insure a proper fit, take a belt that you presently wear and measure the distance from the tip of the buckle to the hole on which you generally wear it. Round this number upward or downward to the

nearest even number. This is your correct belt size.

A properly fitted belt should occupy one of the center holes, so as to allow for at least one inch adjustment in either direction.
