SOHO

The new bohemia. A modern sensibility that has made casual absolutely chic. Coach renders it perfectly in the supple shapes of Soho. Lightweight leather contributes to a lighter mood, a lesser heft. Our new palette carries over here, with flying colors. The clean shine of silver adds a new dimension, especially right for spring, for Coach, for you.

White looks right this season. Accented with the gleam of silver, it

signals the return of warmer weather, hinting at dazzling beaches

and dining al fresco. This dynamic range of styles fills every need.
