These Coach Tags represent the ten Coach Colors now in production for the Coach Classics featured on pages 3 through 27 and pages 40 through 72 in this catalogue. Because the natural color tones of our leather are difficult to reproduce in print, this chart is intended only as a guide. (For our new Coach Lightweights Collection and color palette, see pages 28-39.)

It's Not a Coach® Bag Without the Coach® Tag

Coach has been making fine quality leather products for more than 45 years. We are gratified that during this time they have become known as true American classics—straightforward, functional designs that are very well made and never go out of style.

Quality and Commitment

Our commitment to quality begins with a unique tanning process, which renders our extraordinarily rugged, full-grain cowhide quite soft and supple.

Only then do our skilled craftsmen begin to cut and sew Coach products in a process that requires as many as 85 steps before an item is complete.

All of our products are then hand-inspected and tissue-wrapped in boxes suitable for gift giving. You will find that the Coach you choose will get better and better with age, taking on a deep, rich patina with use.

Prices valid until June 30, 1988

Even the most sophisticated piece of machinery we use at the Coach factory is only considered a secondary tool. Our most important asset has always been, and will always remain, the experienced craftsman.

From the initial cut of the leather to the final hand inspection of the finished product, every step of Coach production relies on the coordinated effort of a trained hand and skilled eye.

The resulting quality is something we will always be proud to offer, something no machine could possibly reproduce.

Women are finding the softer, less structured appearance of this legal-size brief ideal for much more than business. Spacious enough for a day's worth of work yet trim enough to function beautifully as a purse or a tote. There's plenty of room for newspapers, files or even your shoes. The envelope flap has no closure so it adjusts smoothly to cover the bag's contents. An inside zipper pocket keeps keys, coins and wallet handy and secure. The mid-length straps are long enough to wear over the shoulder. Dimensions: 16½" x 11" x 3½"
