SPECTATOR COLLECTION

A true American original, the first "spectator" bags appeared in the 1920s as a sporty alternative to more formal solids. Coach Spectators feature rich Tabac leather trim with either Black, Bone, Forest Green, Navy, Red or our newest color, White. Interestingly, the contrast of the trim accentuates the bound edge seams that have become a Coach signature.

COACH CLASSICS

Our Classic Collection of handbags is the very heart of what Coach stands for. Made of full-grain, glove-tanned cowhide, worked by hand and detailed with inside pockets, handles, straps and bound edge seams all of the same leather. The buckles and hardware are always brass. Recently, we introduced many new styles—a Belt Bag, a sporty Saddle Bag, and our Binocular and Avenue Bags, which feature an innovative springlock closure. Like all Coach Classics, these styles are derived from a design concept that favors continuity over trendiness.
