Tradition of Quality

For fifty years, Coach has been creating fine leathergoods that weather the test of time. Look closely at any Coach small leathergood and you will notice the details that distinguish a meticulously crafted piece: crisp, clean turned edges; neatly pleated corners; small, even stitches which require extreme precision and ensure durability. Each of the fifty to sixty individual steps involved in creating a Coach small leathergood is skillfully handled by the nimble hands of an experienced artisan. It is this dedication to the smallest of details that is the heritage of Coach.
