65th Anniversary

legacy

The 65th anniversary of Coach presents a wonderful opportunity to look back at decades of design—and forward to what's next. There's a synergy between past and present that's best exemplified in the distinctive way Coach continually evolves its iconic elements. Yet the meticulous craftsmanship and attention to detail never waver. The quality and integrity of design are still paramount. Since enduring design is one of Coach's greatest legacies, it's no surprise to find features familiar from generations past incorporated into one of its newest collections, Coach Legacy.
